- 4. New Business**
- 5. Old Business**
 - Freshmen Mentor Program - Student mentoring is up and running. The upperclassmen are eligible for CAS if they have connected with their buddy and have an approved reflection. One issue still being resolved, is getting the freshman to respond to their upperclassman buddy's attempts to connect with them. This may resolve as students return to in-person learning and have more questions.
 - Parent Mentor Program - The parent mentoring has not been as successful. We had little interest, only 3-5 parents wishing to be connected. We have not made mentoring partners yet. It was asked that if any parents had questions to email those to the IB Boosters gmail and we would be sure to respond to those questions/needs. We will work on making a better system for next school year.
- 6. Presentations**
 - College Prep Testing/Affording College - Ms. Kerry Castellani.
 - March2Success - 7 full length ACT and SAT tests
